BAPS Swaminarayan Sanstha (BAPS), formally established in 1907, is a worldwide community-based spiritual organisation. It is dedicated to fulfilling the spiritual, cultural, and social needs of people by providing practical means for attaining inner peace and harmony between individuals, within families, and amongst communities. Recognised internationally for its humanitarian services, BAPS is closely affiliated with the Economic and Social Council of the United Nations.

In the UK, BAPS is respected as one of the largest and most active Hindu groups among the Indian diaspora. It is also the creator of the internationally-acclaimed BAPS Shri Swaminarayan Mandir in Neasden, London.

BAPS is guided and inspired by Pramukh Swami Maharaj, the fifth spiritual successor of Bhagwan Swaminarayan. He travels the world fostering love, peace, harmony, purity and faith. He has touched the lives of millions.
