Dear Manor Murti Swami

I am writing on behalf of all the residents at Riverview Lodge to thank you, Karthibhai and the group of enthusiastic children for the lovely evening's entertainment we had on Saturday 21st February.

A large number of our residents are frail and they were very pleased and impressed by what they saw. At the end of the performance, the children also talked to the residents individually and told them about the Sanstha and the Gujarati school they attend.

The residents were flattered by the gift of a rose and the picture of Swami Bapa.

It was truly a wonderful evening for them.

Thank you again for your generosity and kindness.

Yours sincerely
